Instructions For Petition to the County Board of Equalization for Review of Real Property Valuation Determination

All information in boxes 1-5 must be completed (if applicable). **The petition must be signed** and dated. Without this information, your Petition for Review will not be considered complete.

- Your account or parcel number appears on your determination notice, value change notice, and tax statement. If you are appealing multiple parcels, you must submit separate petitions for each parcel.
- 2. Self-explanatory.
- 3. You may appeal the **assessed** value of the property. The assessed value is based on the true and fair value of the property. Check the box if you are requesting the information the assessor used to value the property.

Appeal of Assessed Value

To successfully appeal the Assessed Value of the property, you must show by clear, cogent, and convincing evidence the value established by the assessor is incorrect. In Section 4, you must list the reasons why you believe the Assessed Value is incorrect.

4. List the specific reasons for the appeal. The amount of tax, the assessed value of other properties, the percentage by which the assessment increased, personal hardship, and other matters unrelated to the market value cannot, by law be considered by the Board.

5. Indicate if you are acting under a written Power of Attorney.

Sign and date the petition.

6.–10. Self-explanatory.

Additional information to support your estimate of value may be provided either with this petition or prior to seven business days before the hearing. You must also provide a copy of any additional information to the assessor.

The petition must be filed or postmarked by July 1 of the current assessment year or 30 days after the date of mailing of the change of value or other determination notice (up to 60 days in those counties that the Legislative Authority has extended the deadline). If filing after July 1, a copy of the determination notice must be attached to this petition.

One original signed petition and one copy (including all attachments) should be filed with the County Board of Equalization in the county where the property is located.
